TAP-TO-PAY DEBIT CARDS

New debit cards are on the way! We're upgrading your FCCCU debit card with contactless tap-to-pay technology for a faster, easier, and more secure way to make everyday purchases. Your new debit card should arrive in your mailbox by the end of August 2026. Once you receive it, please activate your new card and begin using it. For your security, you should securely destroy your old card after activation. If you have not received your new debit card by September 15, 2026, please contact us so we can verify your mailing address and order a replacement card if needed. Thank you for allowing us to continue improving your banking experience.
