INTERNATIONAL CREDIT UNION DAY®

Thursday, October 17th, marks the 76th annual International Credit Union Day®. Since 1948, International Credit Union Day® has been celebrated annually on the third Thursday of October. Each year, the international event affords the opportunity to remember credit unions' proud history and promote awareness of and support for the credit union and financial cooperative difference.

In celebration of International Credit Union Day®, First Choice CCU will have refreshments at all branches and a drawing for multiple prizes. Visit our social media pages and post about what you love about being a member of a Credit Union, tag First Choice Community Credit Union and have #ICUDay2024, for an additional entry for one of the prizes.
